

PRIORITY FIVE: RESEARCH & SECURE GRANT FUNDING

TARGET RESEARCH AND SECURE relevant grant funding.

STATUS

Successfully Secured

5

grants since 2012

- ✓ Coastal Conservancy Climate Ready Grant (\$150k)
- ✓ California Energy Commission Grant (\$80k)
- ✓ Transportation for Clean Air Fund (\$25k)
- ✓ Jumpstart Electric Vehicle Grant (\$3k)
- ✓ BAYCAP Electric Vehicle Charging Grant

Why is this important?

The City of Benicia has a unique opportunity to leverage its climate action planning activities to obtain additional grant funding. Grant funding can assist the CAP Coordinator and City to implement CAP strategies and achieve its reduction goals.

The CAP Coordinator Team has helped secure over

\$250,000

in grant funding since 2012.

Secured grants:

- ✓ Help the City prepare a Climate Adaptation Plan
- ✓ Financed the installation of a state-of-the-art electric vehicle quick charging station and battery backup system
- ✓ Encouraged adoption of Electric Vehicles
- ✓ Increased opportunities for bicyclists
